Comments: Are you looking for recycling services in Eltham or anywhere else in the South East? If so look no further than the excellent services on offer at Brad's Rubbish Clearance, because we can offer a helping hand. We offer a professional and reliable service to clients based in South East London and the surrounding areas. Rubbish Removal Service in Bexleyheath We specialise in offering marvellous rubbish clearance and recycling services to domestic and commercial clients. We rely upon our wealth of knowledge in order to make sure that both of these services are completed to the highest standard. No skips are required as we guarantee to remove all of your rubbish. For your complete peace of mind, our team of experts are dedicated to making sure that they provide a service which fully maintains one hundred percent customer satisfaction. Here are a list of services that we offer: We're open for business 7 days per week from early until late We do all the loading while you relax You don't even have to lift a finger We undertake small Demolition work We sweep up at end of job Loft clearance Trucks for tight access Household rubbish - including fridges, ovens, lounges, washing machines, Tumble Dryers, Dishwashers, TV's ,Cupboards, beds, Carpet & many more. Garden waste Garage waste Renovation waste Old kitchen & Bathrooms taken away Commercial sites cleared Everything Rubbish Recycling waste - bricks, concrete, metal, plastic & much more. A lot less hassle than skips: (examples) - Many of my customers have complained that they felt under pressure to quickly load up their skip, before someone else did!!!, Skip Parking Permit (extra cost), customer is responsible for placing flashing lights around skip when on roadside (extra cost). As you can see for a parking permit along with flashing lights, you could be talking another Â£50. All work carried out safely. Have successfully completed a IOSH H & Safety course.
