Comments from consumers who have used this trader

- 2014-02-24 16:41:27 We asked Tom to build us a shower for our boat. We had been unable to find a shower tray small enough to fit the cubicle and Tom rose to the challenge and built us one out of fibre glass. He was on time, friendly, tidy, enthusiastic and worked with us very well. He finished the cubicle to a high spec, we are very happy with the finished work.
- 2014-01-20 19:29:59 Pleasant, clean, careful worker, hardly knew he was here. Has just completed a second job for us and am pleased to recommend him to anyone.
- 2013-11-20 19:17:31 I am so glad to have found Tom. He listens to what you are wanting, sees the problem immediately, is not negative in his comments, works conscientiously. Is tidy, in effect there are no negatives with this young man. I confidently recommend him to you.
- 2013-07-24 18:15:25 I have nothing but praise for Tom. He is very polite and conscientious. He started the job on the date promised and was on site every day until the work was completed. The quality of the work was excellent.

We approached Tom to remove six internal doors at my mothers flat, each had to be planed and re-hung again, with a deadline to keep, Tom agreed to the job, even kept in contact with me prior to arriving at the flat. He did an outstanding job, tidied up when he finished, was very polite and all this was at very short notice and on Good Friday. We would recommend Tom without hesitation and will most definitely consider him for work we may need doing in the future.

I'm already planning on using 'TF Building' again. Very professional and the work was at a incredibly high standard. The job was extremely challenging and they worked all hours to get it finished on time for our opening. The attention to detail and precision was meticulous, which was essential to our minimalist theme. Plus I thought they were very fairly priced.
