In a word 'awesome'! My boiler broke right in between Christmas and new year and I was struggling to find anyone open during the festive season to purchase a boiler and get it fitted. No sooner had I rung Ste, he sent his lads round and they replaced the 'like for like' boiler within an hour. These two lads were amazing, very fast, very efficient and very tidy. They seem to really enjoy what they do and it shows, they are a credit to the company. I would not hesitate to recommend SFH ... Ste is extremely helpful. The lads do a great job.
