Comments from consumers who have used this trader

- 2014-12-01 15:40:38 I have used this firm before and would be very happy to use them again
- 2014-11-29 11:53:01 Mick and his lads did a great job refurbishing my bathroom. Would have no reservation in recommending him.
- 2014-11-24 14:52:49 I asked Michael to remove the bath and fit a new shower unit at my father's home in Preston. He did an excellent job within the time he specified at a very reasonable price.
- 2014-11-24 13:40:50 Mick was extremely professional and had a great deal of knowledge regarding the work for wet rooms. The finish and quality of the work was excellent.
- 2014-08-20 16:56:24 The work completed nearly a year ago was very good, and we were satisfied with all aspects, and have recommended Mick to friends. This has resulted in our friends employing him for jobs on their home. But now we are disapointed to have a leaking tap on our sink, installed and chosen by Mick, and after leaving phone messages and emails, Mick has not responded to our request to fix the problem, it should still be under guarantee. Surely the tap must be guaranteed for more than 11 months? We have now lost confidence in Mick, but welcome the opportunity for it to be fixed under guarantee and goodwill.
- 2014-07-29 07:34:35 Mike and his team are reliable, honest and professional. Costs were realistic and all work completed when stated. My partner and I would certainly recommend Mike.
- 2014-07-28 15:42:17 Thank goodness we got Mick and his team in. They were very professional throughout the whole of the job and nothing was too much for them to do. It was great to work together with them to create our beautiful bathroom. I would recommend them to anyone.
- 2014-07-07 09:48:01 When my wife told me that we were having a new bathroom, I was less than thrilled with the idea having dealt with some less than reliable tradesmen in the past. I found Mick Lowe via the safe trader scheme. Any misgivings that I might have had were duly

dispelled as Mick and his team are the friendliest and most reliable bunch of guys you could hope to meet. Mick clearly takes pride in his work and was very keen to take all of our requirements into consideration. We are very happy with our new bathroom and would not hesitate to recommend Mick Lowe.

We would highly recommend Michael Lowe and his team to anyone who wants an excellent job done at a very good price. Michael's staff are hardworking, honest, trustworthy and extremely pleasant. Our new bathroom is stunning!
